As it has been for everyone, the year 2020 has been one for the record books! While the pandemic has necessitated the cancellation of several of our annual fundraising, art and rental events, our staff and volunteers have focused on new ways of raising much-needed funds and engaging our community. We are anticipating finishing the year strong with a socially-distanced Holiday Market, a family-friendly ornament painting party, and a digital version of the traditional Festival of Nine Lessons and Carols. Creativity and technology have never been more important in helping Sacred Heart sustain and shine!

We will look forward to seeing you soon at Augusta's most iconic historic venue. Keep our Gift Shop in mind as you shop for the holidays. We so appreciate the support of our community!
